

RESOLUTION NO. 350

EMERGENCY RESOLUTION - N.W. FIR

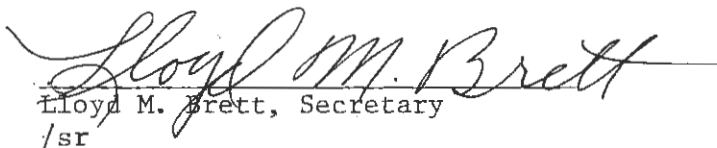

WHEREAS, the Board of Commissioners of the East Wenatchee Water District has been asked by Peter Ringsrud, Douglas County Engineer, to dig a trench and lay a water line along N.W. Fir a distance of approximately 1,400', as soon as possible so the County can build a new 25' roadway and,

WHEREAS the public interest in having a properly working water system will suffer if there is any delay, as the previous system is old and subject to leaks,

NOW THEREFORE BE IT HEREBY RESOLVED that an emergency situation exists pursuant to R.C.W. 57.08.050, the work needed to install 1,400' of 6" pipe on N.W. Fir shall be done by the District's own crew as soon as possible.
