NOW THEREFORE, be it hereby resolved by the BOARD OF COMMISSIONERS of the East Wenatchee Water District that the Plant Investment Fees increase for residential and commercial meter connections effective January 1, 2022 as described above. The Commissioners also set forth the following terms and conditions: Customers may purchase meters before December 31, 2021 at the current amount and the meter will be installed as normal per District policy into an existing meter service/box/setter onto a lot of record. The meter may remain off until it is ready for use. The District must have ownership of said service on the lot of record. The customer cannot purchase meters at the current amount for future developments/subdivisions until there is a lot of record, meter service/box and setter.

ADOPTED, the 20th day of October, 2021, by the Board of Commissioners of the East Wenatchee Water District, Douglas County, Washington at a regular meeting thereof.

Tracy Petersen, President
