

RESOLUTION NO. 790

POLICY FOR IRRIGATION ACCOUNTS

WHEREAS, the District has many customer accounts that are “irrigation.” Said “irrigation” accounts do not pay a base rate and pay for only water use; and

WHEREAS, the Washington State Auditor’s office (the “Auditor”) and the FCS Group (“FCSG”) advised the District that it would be best practice to establish a policy for the “irrigation” accounts; and

WHEREAS, the District recovers its fixed costs through base rate charges, and

WHEREAS, in conjunction with the recommendations of the Auditor and FCSG, it is beneficial for the District to establish a policy regarding these services, as district resources are used to maintain its facilities and perform other functions related to the “irrigation” accounts; and,

WHEREAS, the District has determined that, in conjunction with a recommendation of FCSG, hereafter, all “irrigation” accounts with a meter shall incur a “base” fee; and,

WHEREAS, the Board of the East Wenatchee Water District will allow the manager of the District to set the “base” fee in conjunction with its normal rate structure.

NOW THEREFORE, BE IT HEREBY RESOLVED by the BOARD OF COMMISSIONERS of the EAST WENATCHEE WATER DISTRICT, effective January 1, 2023, the District will bill “irrigation” accounts the monthly base charge.

ADOPTED, by the BOARD OF COMMISSIONERS of the EAST WENATCHEE WATER DISTRICT, Douglas County, Washington at a regular meeting thereof, on this 21st day of December, 2022.
